Simplicity is the keynote of Grecian art. In the same manner, Foster-McDavid makes its uniquely magnificent contribution to our present-day world with an incomparable collection called "American Walnut".

American Walnut, no stranger to fastidious American homes, has built up a loyal and devoted group of discriminating people who love its functional styling and its fine craftsmanship.

Striking design, dignity of line, and the unmatched warmth of hand-rubbed selection American Walnut wood make Foster-McDavid's American Walnut collection your finest investment.

American Walnut . . . tomorrow's heirlooms today!
